TOOLBANK

For nearly 50 years Toolbank has been partnering both our customers and suppliers facing challenges big and small, supporting each other and working together to deliver a service par excellence.

Now, as ever, the entire Toolbank team – across our branches, our support services and sales teams, our warehouses and our supply chain – is working tirelessly to deliver to you, our valued customers.

We'd like to say a huge thank you to you for your loyalty and understanding during these exceptional times which may see extended delivery times and unexpected stock shortages with product being in the wrong place or on extended delivery with our suppliers. Please be assured we have put in place robust measures to overcome these challenges, whilst maintaining and following the latest government advice on safe operating procedures, but please accept our apologies in the short term while these measures come in to effect.

We wish you and your families well at this most difficult of times.
