

Wood saws

1. The Sabretooth saw range offers the comfort speed and durability typically only associated with premium priced saws.
2. Featuring triple ground 'turbo cut' hard point teeth for effective cutting of timber, chipboard, plywood and plastics.

Wood Saws

Sabretooth Trade Universal Wood Saw

Universal tooth pitch for a wide range of materials. Offset teeth for reduced friction & greater waste removal. 0.85mm premium grade CK5 steel blade for maximum power transfer. 45 & 90° angle guides for ease of marking out. Dual component cushion grip handle for comfort and control. Stay sharp, hard point teeth for an extended working life.
