

ZLINELED

Out of the box LED dimming

Zano Controls **ZLINELED** plate mounted dimmers boast all the features of Zano's award-winning ZGRIDLED+ technology, built into a fit and forget plate module. Available in three attractive finishes – slim line white plastic, brushed stainless steel or polished chrome – the **ZLINELED** range offers an easy to install and aesthetic choice, at an affordable price.

With integrated ZGRIDLED+ technology that can be fitted straight out of the box, the **ZLINELED** features Zano's smart settings for perfect performance even at low levels. It's available in two versions that can support an impressive dimming range of either 0-150W or 5-250W.
