A Market Leader in Form, Function & Reliability

- **Convertible design for shallow ceiling void installations down to 47mm**
- **Insulation coverable, with layover and blown-in insulation**
- **IP65 and air leakage rated for adjustable, baffle and fixed (with appropriate bezel)**
- **Fully tested and certified for 30, 60 & 90 minute ceilings, See pg.223 for more information**

The most advanced integrated, fire rated downlight on the market expertly designed to prioritise the customer's safety. An evolution on the award winning mSeries™, the fire rated mPro™ downlight features NanoDrive™ Technology with a light output of up to 660lm, with an efficacy of up to 94lm/W and a LEDchroic™ lens for halogen-like appearance. Convertible design allows installation in ceiling voids as shallow as 47mm. Interchangeable bezels are universally compatible across the mPro™ series. Supplied with second generation FastRfix™ connection system.

30 MIN **60 MIN** **90 MIN**
