

# Underfloor Heating Accessories

## Self-levelling Compound

- **Fast drying, allows further surface treatment after 6 hours**
- **Use in thicknesses of 5-50mm, a minimum of 12mm is needed for underfloor heating**

Our self-levelling compound is specifically designed for use with electric underfloor heating and is suitable for all floor coverings.

Product code	Description
MIR-THE-0020	20kg Self-levelling compound (coverage: 1.7kg provides 1mm thickness over 1m <sup>2</sup> )
For orders over 40 bags please call us to discuss a discounted price	
MIR-PRI-0001	1 Litre primer for use with self-levelling compound (coverage: porous surfaces 0.1l per m <sup>2</sup> /non-porous surface 0.2l per m <sup>2</sup> )
MIR-PRI-0005	5 Litre primer for use with self-levelling compound (coverage: porous surfaces 0.1l per m <sup>2</sup> /non-porous surface 0.2l per m <sup>2</sup> )

*\*MIR-THE-0020 and MIR-PRI-0005 orders incur a £50 pallet charge regardless of order size. Order cut-off is 2pm for next day delivery. These products are non-returnable.*

## Cable Trace Lite

- **Identify where heating cables are beneath most floor coverings including tile and laminate**
- **Allows safe installation of door stops and towel rails**

Our Cable Trace is a diagnostic device for locating heating cables. The heat-sensitive sheet allows you to accurately find heating cables under the floor.

## Repair Kits

We offer repair kits for any accidental damage to our heating mats and cable systems. For post-install

faults that require further investigation please contact our technical team on **01444 247020**.

## Cable Safe Monitor

- **Simple-to-use – alarm indicates damage to the cable**
- **Detect faults before the final floor installation is completed**

Our Cable Safe Monitor is a safety appliance for monitoring underfloor heating systems during installation.

Product code	Description
ACC-CAB-SAFE	Heat Mat Cable Safe Monitor
ACC-CAB-TRAL	Cable Trace Lite
HCA-111-COND	2m Sensor conduit for use with thermostats
HCA-111-COND-10	10m of sensor conduit
HCA-111-COND-25	25m of sensor conduit
HCA-111-COND-50	50m of sensor conduit
HCA-111-0003	Replacement floor sensor for NGT, NGL, TOU and TPS range
HCA-10M-SENS	Extended 10m floor sensor for NGT, NGL, TOU and TPS range
HCA-111-HC70	Replacement floor sensor for HC70 range
HCA-111-0006	Repair kit for 3 and 5mm cable and heating mats
HCA-111-0008	25m Double sided tape
ACC-TAP-MASK	Masking tape 50m x 25mm
