

# Mirror Demisters

**demista™ by Heat Mat – Mirror demister pads automatically keep mirrors steam free**

- **Low power consumption**
- **Wire through the lighting circuit**
- **No thermostat required**
- **12V SELV and bespoke options available**
- **Lifetime warranty**

Heat Mat's range of mirror demisters, manufactured by *demista™*, automatically keep mirrors steam free after bathing or showering allowing mirrors to be used at all times. In addition to the 17 stocked sizes of 230V demisters available, Heat Mat also offer over 400 further sizes in 230V, 110V, 24V and 12V/SELV ratings as special order items (delivery timescale usually 3 working days).

Mirror demisters are available for all bathroom zones and can easily be wired through the lighting circuit so they only heat when the bathroom is in use.

**Backed up by Heat Mat's no-quibble lifetime warranty**

- **Most orders can be supplied next working day direct from stock**
- **Quantity discounts available on orders of 5 or more**
- **Competitive project pricing applied for orders over 150 units**
- **Bespoke sizes available**

Mirror demisters are ideal for hotel developments or projects with multiple bathrooms. We offer custom-made sizes of mirror demisters as part of our bespoke service.
