

## Flat Cable Clips

### Description

A range of flat cable clips manufactured from high density polyethylene (HDPE), suitable for Twin and Earth flat cables.

Zinc Plated carbon steel flat metal clips are designed to secure cables in a high temperature environment and enable installations to comply with the 18th Edition Wiring Regulations

### Features

- For use in wood, masonry and compressed board
- Nail manufactured from premium zinc plated hardened steel

### Technical Specification

Material	Nail - Zinc plated hardened steel Plastic clip - HDPE Metal Clip - Zinc plated carbon steel
Colour	Plastic Clip - Grey Metal Clip - Silver

### Range

#### *Twin and Earth Single*

1.0mm grey (box of 100 x 10)	IM1111GR
1.5mm grey (box of 100 x 10)	IM1112GR
2.5mm grey (box of 100 x 10)	IM1114GR
4.0mm grey (box of 100 x 10)	IM1116GR
6.0mm grey (box of 100 x 10)	IM1117GR
10.0 mm grey (box of 100 x 10)	IM1118GR
16.0 mm grey (box of 100 x 10)	IM1119GR

#### *Twin and Earth Double*

1.0mm grey (box of 100 x 10)	IM1113GR
1.5mm grey (box of 100 x 10)	IM1115GR

#### *Twin and Earth Double*

1.0mm and 1.5mm grey (box of 100 x 10)	IM1141GR
--	----------

#### *Bell Wire*

4.5mm bell wire clip white (box of 100 x 10)	IM1151WH
--	----------

#### *Fire Rated Twin and Earth*

1.5mm steel BZP (box of 100)	IM1122
2.5mm steel BZP (box of 100)	IM1124
4.0mm steel BZP (box of 100)	IM1126
6.0mm steel BZP (box of 100)	IM1127

#### *Tubs*

Twin and earth tub (400x1.5mm grey, 400x2.5mm grey)	IM1191
18th Edition combination tub (400x1.5mm grey, 400x2.5mm grey, 200x2.5mm steel)	IM1192

#### *Cable Clip Wall Pin Plug*

White 20mm (5.0mm drill) (box of 100x10)	IM1181
