

# 2773 Series

The way to connect!

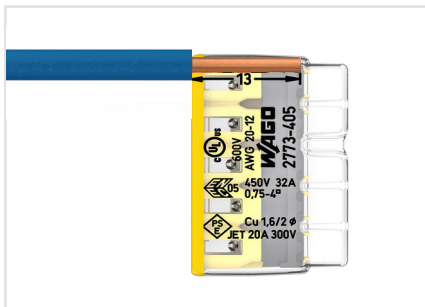

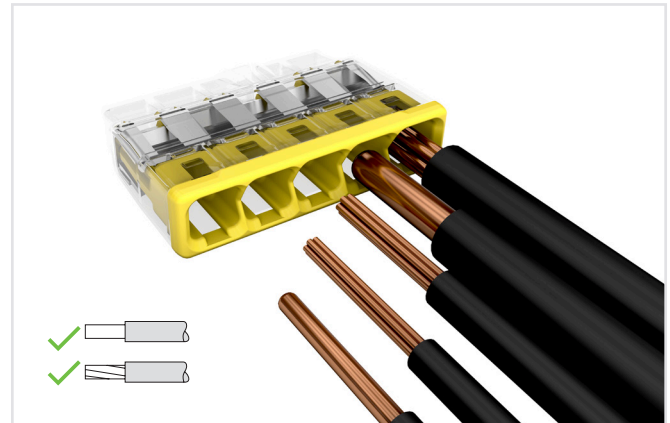

# WAGO 2773 Series Connectors for Solid and Stranded Conductors

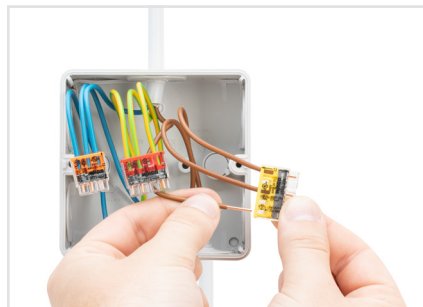

Push your way to fast, reliable connections – WAGO 2773 Push-Wire connectors offer a compact and safe way to connect solid and 7 stranded conductors.

## Your Advantages

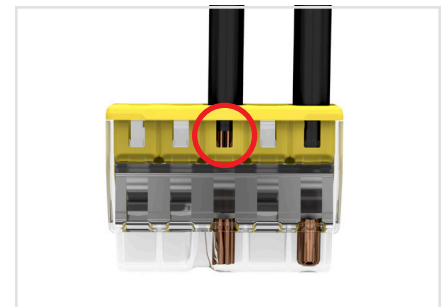

- Space saving by up to 30% smaller size and flat design
- Clear transparent housing for control of conductor position and correct stripping length
- Large connection area and different conductor types can be combined

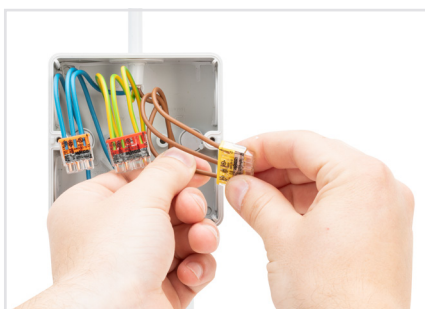

Strip solid or stranded conductor to 13 mm.

Termination: Insert the stripped conductor until it hits the backstop.

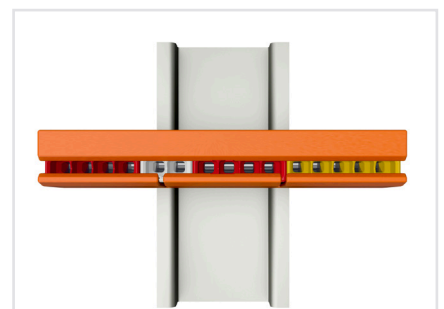

The transparent housing shows if conductors are fully inserted; within the coloured base, a clear port shows if the conductor's strip length is correct. Conductors are correctly stripped if the clear port shows no bare conductor on the unprinted connector side. Picture shows center conductor with exceeded strip length.

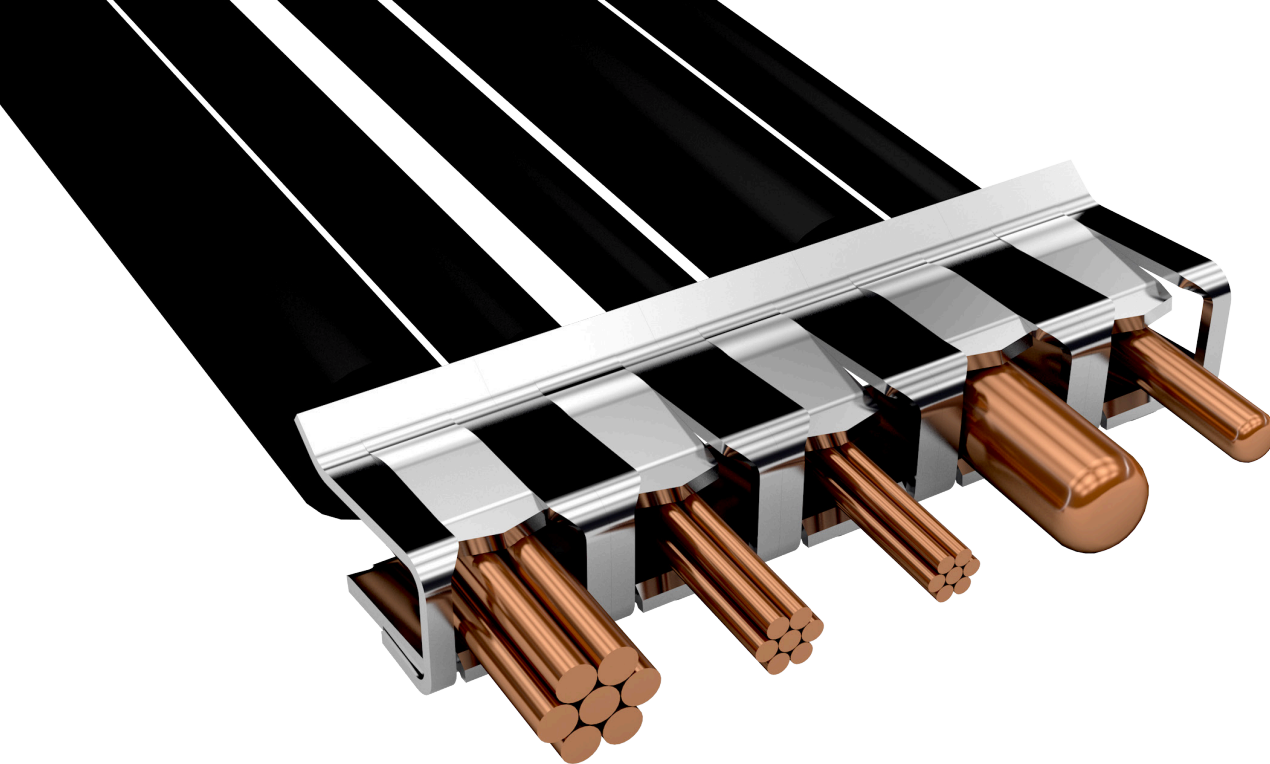

**Removal:** Hold solid conductor to be removed and twist alternately left and right while pulling the connector. Stranded wire: simply cut the wire close to the connector entry, strip it and insert into a new connector.

Testing via test port opposite to conductor entry.

The mounting carrier also allows the connectors to be mounted on DIN-rails and used in control cabinets.

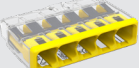

## For Solid and Stranded Conductors – With 6 Models Always The Right Connector

### 2773 Series

0,75mm<sup>2</sup> ... 4 mm<sup>2</sup>   
 1,5 mm<sup>2</sup> ... 4 mm<sup>2</sup> 

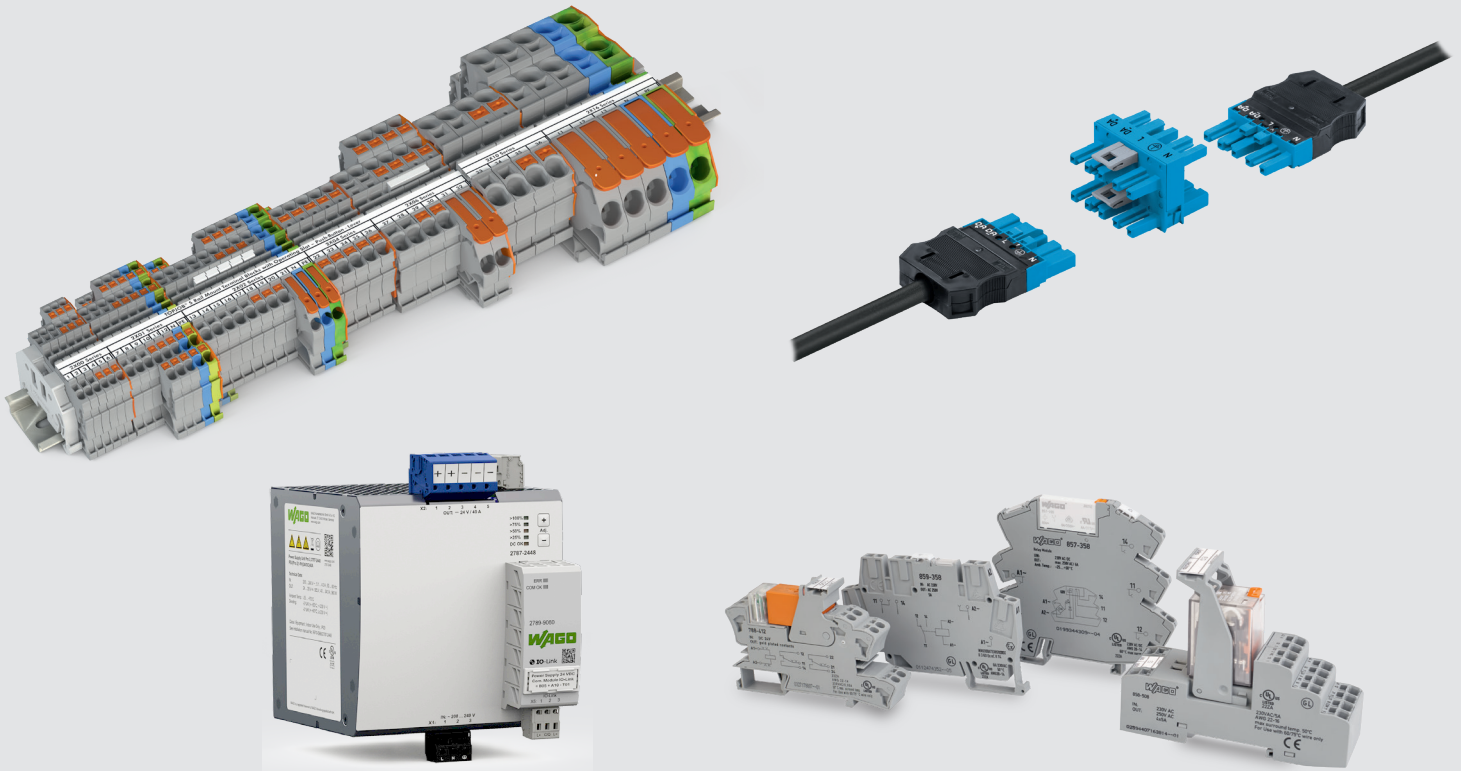

450 V  
32 A

Continuous service temperature:  
105 °C

	Description	Item No.	Pack. Unit
	2-con connector	2773-402	120
	3-con connector	2773-403	100
	4-con connector	2773-404	80
	5-con connector	2773-405	60
	6-con connector	2773-406	50
	8-con connector	2773-408	40
	Mounting carrier for single and double row connectors	2773-500	10

# Not just connectors

## GO SCREWLESS TODAY WITH WAGO

For **time saving** and **reliable** connections every time! **Free from maintenance** and **vibration proof** for a continuous **quality** connection!

- Terminal Blocks
- Modular Wiring
- Interface (Power Supplies, Relays)

Over 30k products to choose from!
