

## 12V Constant Voltage LED Drivers

Range of 12V constant voltage LED drivers for use with Aurora LED strip and luminaires.

**3 year warranty**

**AU-LEDD1012**  
10W Dimmable Constant Voltage Driver

**AU-LED1012CV**   
10W Non-Dimmable 12V Constant Voltage Driver

**AU-LED16T**   
16W Non-Dimmable 12V Constant Voltage Driver

**AU-LED2512CV**   
25W Non-Dimmable 12V Constant Voltage Driver

**EN-LED7512**   
75W Non-Dimmable 12V Constant Voltage Driver

**AU-LED10012CV**     
2 x 50W IP67 Non-Dimmable 12V Constant Voltage Driver

| Cat. No.                      | Input Voltage    | Output Voltage (V DC) | Nominal Power | Max. Amb Temp (°C) | Dimensions      |
|-------------------------------|------------------|-----------------------|---------------|--------------------|-----------------|
| <a href="#">AU-LED1012CV</a>  | 100-264V 50-60Hz | 12V                   | 1-10W         | 50                 | 122 x 40 x 24mm |
| <a href="#">AU-LEDD1012</a>   | 220-240V 50-60Hz | 12V                   | 1-10W         | 50                 | 145 x 40 x 27mm |
| <a href="#">AU-LED16T</a>     | 100-264V 50-60Hz | 12V                   | 1-16W         | 50                 | 156 x 38 x 24mm |
| <a href="#">AU-LED2512CV</a>  | 100-264V 50-60Hz | 12V                   | 1-25W         | 50                 | 145 x 38 x 28mm |
| <a href="#">EN-LED7512</a>    | 220-240V 50-60Hz | 12V                   | 5-75W         | 45                 | 180 x 52 x 30mm |
| <a href="#">AU-LED10012CV</a> | 110-250V 50-60Hz | 12V                   | 2 x 50W       | 50                 | 240 x 67 x 50mm |
