

Product Code: QEP58TDS

Description: 5/8" Threaded Driving Stud

**Materials**

High Tensile Steel

**General Information**

Compatible Rod Diameter | 14.2mm (5/8")

**Additional Information**

To attach the driving stud to the rod the coupler (QEP58TC) is required.

**Packaging Overview**

Individual Polybag

**Standards**

BS EN IEC 62561-2:2018

BS 7430

**Directives**

Low Voltage Directive: 2014/35/EU

RoHS 2: 2011/65/EU &amp; RoHS 3: 2015/863/EU

REACH: 1907/2006/EU
