

Modular Contactor Datasheet MODC4/20

Construction and Features

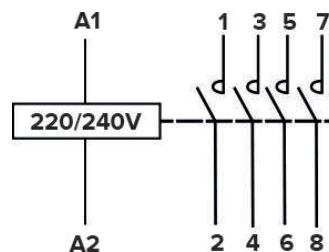

- Compact design
- Contact indication window
- Din rail mountable
- Ideal for switching, appliance, lighting and handling loads

Technical Data

- Rated current: AC1/AC7a 20A, AC7b 7A
- Coil voltage: 220/240V AC 60/50Hz
- Rated switching voltage: ui 500V
- Installation on symmetrical Din rail 35mm, panel mounting
- Contact configuration: 4no.
- kW rating: AC-7a 4kW
AC7b 1.2kW
- Max. Cable size: 4mm²
