

Extended Range

Ultimate 60

Ultimate 60 is a 3 compartment uPVC trunking system specially designed for use in power and high-density data cabling solutions with a stylish profile of 150 x 60mm.

Ultimate 62

Ultimate 62 is designed to support and maintain the integrity of your data solution. The trunking offers a modern curved profile of 190mm x 62mm with a dedicated data compartment.

Delta 105

Delta 105 is a range of single compartment uPVC trunking with dimensions of 100mm x 50mm, which can be readily segregated with dividers.

Schneider Electric

As a global specialist in energy management and automation with operations in more than 100 countries, Schneider Electric offers integrated solutions across multiple market segments, including leadership positions in Non-residential & Residential Buildings, Industries & Machines Manufacturers, Utilities & Infrastructure and Data Centers & Networks.

Focused on making energy safe, reliable, efficient, productive and green, the Group's 170,000 employees achieved revenues of 25 billion euros in 2014, through an active commitment to help individuals and organisations make the most of their energy.
