"Creating the future with new thinking & innovation in smart inspection camera technology"

FERRET PRO

The Ferret Pro is a professional and durable next generation inspection tool designed and engineered with award-winning features to provide easier, faster & safer visual inspections. Includes App controlled variable focus lens and super fast charge. If you need to locate and pull in cable or need to get your eyes on something out of reach, then the Ferret Pro is the perfect tool. Ideal tool for electricians and other trades.

FEATURES:

Built-in WiFi hotspot, wireless & rechargeable
Provides a high resolution live stream with a wireless range of up to 15m.

App controlled variable focus
Focus down as close as 6cm to see fine detail. Focus out to infinity for extra clarity.

Free & easy to use App
Easy to use, Free Ferret App allows control over the camera.

Super fast charge
Charge Ferret from flat to 95% charge in just 1 hour for convenience.

720p HD streaming
720p HD resolution provides crisp clear real time images and video directly to a smart device.

Ferret always up viewing mode
Always up mode for more intuitive viewing no matter which way the Ferret camera is rotated.

Digital zoom
View objects closer with the Ferret App digital zoom.

Adjustable bright white LEDs
Bright white LEDs help investigate, locate, diagnose & fix problems. Better visibility.

FERRET PRO KIT INCLUDES:

Padded EVA case

IP67 rated camera dustproof & waterproof

Flexible gooseneck and short rod

Right angle adaptor

Hook and magnet

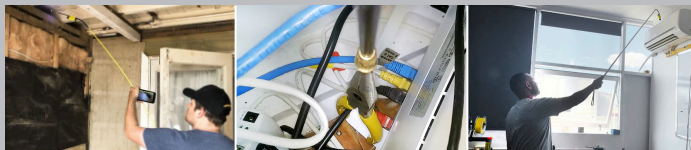

Thread adaptors

USB-C charge cable

Spare O-rings and Instruction Manual

FERRET PLUS

The Ferret Plus brings you the ultimate innovation in inspection camera technology. Includes built-in (on board) memory and the first ever non-contact voltage detector that is not handheld to help detect live cables from a greater reach than ever before. Perfect for someone who loves having the latest technology to work easier, faster & safer. Suitable for electricians, plumbers, builders, HVAC, lighting installers + more.

FEATURES:

Built-in WiFi hotspot, wireless & rechargeable
Provides a high resolution live stream with a wireless range of up to 15m.

Built-in (on board) memory
8GB memory, saves at 1080p to provide many hours of recording even when out of WiFi range.

Free & easy to use App
Easy to use, Free Ferret App allows control over the camera.

Non contact voltage detector
The world's first non-contact voltage detector that's not hand held to help detect live power provides an extra layer of safety. Free App gives an audio & visual alert.

720p HD streaming
720p HD resolution provides crisp clear real time images and video directly to a smart device.

App controlled variable focus
Focus down as close as 6cm (2.4") to see fine detail. Focus out to infinity for extra clarity.

Digital zoom
View objects closer with the Ferret App digital zoom.

Super fast charge
Charge Ferret from flat to 95% charge in just 1 hour for convenience.

Adjustable bright white LEDs
Bright white LEDs help investigate, locate, diagnose & fix problems. Better visibility.

Ferret always up viewing mode
Always up mode for more intuitive viewing no matter which way the Ferret camera is rotated.

FERRET PLUS KIT INCLUDES:

Padded EVA case

IP67 rated camera dustproof & waterproof

Flexible gooseneck and short rod

Right angle adaptor

Hook and magnet

Thread adaptors

FERRET ACCESSORIES

The Ferret Stick is made of high-quality materials. Tough rust resistant lightweight aluminium lockable sections with a soft non-slip rubber handle. It provides extended reach up to 140cm in length that allows you to see and reach where you can't. It has 1/4"-20UNC thread, which is compatible with all Ferret products.

The Ferret Wristband is a universal phone holder that will securely attach any cellphone from 3.5" up to 6.7" to your wrist. With a 360° rotatable front section the phone can easily be turned to the perfect angle.

The Ferret Stick Mini is a compact extension rod made of high-quality materials. Tough rust resistant lightweight stainless-steel frame and non-slip rubber handle with secure wrist strap at the bottom that offers excellent durability and versatility. It extends up to 120cm with a 1/4"-20UNC thread, which is compatible with all Ferret Tools cameras.
