

Main

| | |
|---------------------------|---------------------------|
| Range of product | Exclusive |
| Aesthetic name | Square edge white moulded |
| Product or component type | Shaver socket |
| Colour tint | Matt white |

Complementary

| | |
|-------------------------|-----------------------|
| Device mounting | Wall mounted |
| Input voltage | 230 V AC 50 Hz |
| Output voltage | 115...230 V |
| Material | Urea (carbamide) |
| Fixing mode | By screws: M3.5 30 mm |
| Connections - terminals | Screw terminals |
| Type of installation | Indoor |
| Width | 86 mm |
| Height | 146 mm |
| Depth | 45 mm |

Environment

| | |
|-------------------------|-----------------|
| Standards | BS EN 61558-2-5 |
| IP degree of protection | IP20 |
