Zip Hydroboil

Instant on-wall boiling water

Enjoy no waiting time with this convenient, reliable and safe wall-mounted instant boiling water unit. Advanced technology delivers boiling water heated to within 0.5°C of set temperature. Simple to use, it employs an external two-way classic tap with fingertip control for filling cups. The tap also locks on to fill pots hands-free.

	(litres)	(INLET 15°C)	(INLET 10°C)	RATING KW	W X D X H	WEIGHT
425552	25	47mins	50mins	2.8 kW @ 230V AC	401mm x 301mm x 786mm	47kg

Features and benefits

Convenience

The Hydroboil range delivers reliable boiling water instantly, saving time and helping to increase workplace productivity.

Space saving

Wall-mounted units save much-needed counter-top and under-counter space.

Easy and safe to use

Simple controls and a range of safety features give you complete peace of mind.

Energy efficient

Steam-Heat-Boost technology saves energy by recycling steam to pre-heat incoming cold water – making boiling quicker and less costly.

Wide range

With capacities ranging from 1.5 to 40 litres, there is a model for every situation.

Product detail

Specification type			
Product code	425552 (HS025)		
Product name	HydroBoil HS025 25ltr Instant on-wall boiling water heater in white		
Case material	Corrosion Resistant White Enamelled Steel		
Instant boiling water	Twin chamber		
Control	N/A		
Service Access Port	Top and bottom		
Capacity, weights & dimensions			
Capacity	25ltrs		
Unit dimension (W x D x H)	401mm x 301mm x 786mm		
Product weight	47kg		
Plumbing			
Wholesome cold water inlet supply required	Yes		
Supply pressure range	0.07 MPa (0.7bar) - 0.5 (5bar)		
Inlet pipe	1/2"BSP		
Vent pipe	15mm		
Vent discharge	Visible tundish or drainage board		
Installation	Must comply with current water supply regulations		
The minimum water pressure will vary if a limescale filter	er is installed. Please contact us to discuss your requirements.		
Electrical			
Nominal power rating kw	2.8 kW @ 230V AC		
Power supply 1.5L to 25L models	1 x 13A double pole isolation switch or socket outlet		
Installation	Must comply with current IEE regulations		
Warranty			
2 Year on-site parts and labour on site	Terms and conditions apply (visit website for more information)
