GRIDSWITCH

Back Boxes

A wide range of back boxes are available, please see the Selection Chart, p120 - 121. We recommend using the deepest back box available to give the most amount of wiring space. Boxes for 6g up to 24g have both 20mm and 25mm knockouts.

Grid Frames

- Metal Screwless frontplates are supplied with grid frames

*Special order product, minimum order quantity and lead time applies
