NEW Betalux

PRODUCT OVERVIEW

NO POWER NEEDED!!
With it's self-luminous tritium power, easy installation and sleek design, the Betalux self-luminous exit sign is revolutionizing the emergency exit industry. Giving a simple 'Wire Free' installation.

Betalux is vandal resistant, waterproof, explosion proof and incapable of generating sparks. Wherever architectural integrity is a priority such as schools, hotels, office buildings, banks, theaters and restaurants, or harsh and dangerous environments such as offshore oil rigs, mines, refineries, munitions plants, and chemical factories, Luminexit is the sign of choice.
