

The BR range

Features

- Compatible with the Dimplex radio frequency controllers.
- Ladder design maximises capacity for hanging damp towels and clothes.
- Slim vertical design to maximise use of wall space even in confined areas.
- No external controls.
- Built-in over temperature cut-out.
- Sealed, liquid filled design for maintenance free use.
- Provided with inlet/outlet plumbing connections – no expensive adaptors needed.
- Supplied ready for electric use, but may also be connected to a water central heating system with the electric element available for use when the boiler is off.
- Choice of models in white or chrome finish.
- IPX5 rated for bathroom use.

Model BR350C

The Dimplex BR range creates a new generation of stylish, multi-purpose bathroom radiators. Higher output models provide an ideal combination of room heating with efficient drying of towels and other fabrics.

Model BR400W

Controls

Built-in temperature limiter and overheat protection. Suitable for connection to external thermostats or timers, in accordance with IEE regulations. See page 53 for control options.

Model BR150C
