

NEW

DELIGO

Safe Plates

Safe Plate *Large*

New Size

- Introducing one new size for our Safe Plates (Cable Guards) - now larger but just as efficient.

Dimensions:

52mm x 152mm

- Unique double-secure fixing points.
- Protects cables and pipes from nail, drill and screw damage.
- Enormously popular range, already outselling others.
- No fixings necessary
- NHBC Approved
- Helps IEE Regulations

SPL

£0.24

Safe Plate *Standard*

- Looking for a smaller size? - try our standard Safe Plates

Dimensions:

54mm x 80mm

- Unique double-secure fixing points.
- Protects cables and pipes from nail, drill and screw damage.
- Enormously popular range, already outselling others.
- No fixings necessary
- NHBC Approved
- Helps IEE Regulations

SP

£0.13
