

## 12V CONSTANT VOLTAGE 10W DIMMABLE LED DRIVER

PLEASE READ THESE INSTRUCTIONS CAREFULLY BEFORE INSTALLATION

LEAVE A COPY FOR THE USER / MAINTENANCE ENGINEER FOR FUTURE REFERENCE

### IMPORTANT INSTALLATION INFORMATION

- Installation should be carried out in accordance with the latest edition of the National Wiring Regulations. If in doubt consult a qualified electrician.
- PLEASE NOTE: 12V DC Output.
- Insure that ALL electrical connections are tight with no loose strands.
- For use with Aurora dimmable LED MR16 12V lamps.

### INSTALLATION INSTRUCTIONS

Isolate from the mains supply before installation or maintenance.

1. The mains supply should be connected to the Primary input terminals as follows:  
Blue – Neutral  
Brown – Live  
Green & Yellow – Earth.
2. Connect the 12V output of the LED driver to the MR16 lamp terminals.
3. Dimmable with AU-DSP dimmers, de-rated to 50% loading.

#### CORRECT Installation

Keep the LED Driver away from direct sources of heat such as Low Voltage lamps

#### INCORRECT Installation

Do not fit the LED Driver above the luminaire

KEEP WELL APART

### Environmental Protection (W.E.E.E.) – Aurora's WEEE Reg.No. WEE/BG0130YX (UK Only)

Waste Electrical & Electronic Equipment Regulations (WEEE) requires that any of our products showing this marking (left) must not be disposed of with other household or commercial waste. Aurora does not levy any WEEE disposal charges to its customers for affected WEEE related products. To prevent possible harm to the environment or human health from uncontrolled waste disposal, please separate any such product from other waste types and recycle it responsibly at your local facilities. Check with your Local Authority, Recycling Centre or retailer for recycling advice. If, when you purchased any Aurora product, your supplier included a WEEE disposal fee, you should then contact your supplier for advice on his takeback of the product for the correct disposal.

### Warranty

See [www.auroralighting.com](http://www.auroralighting.com) for full details of warranties and Extended Warranty Terms and Conditions. The warranty is invalid in the case of improper use, tampering, and removal of the Q.C. date label, installation in an improper working environment or installation not according to the current edition of the National Wiring Regulations. Should this product fail during the warranty period it will be replaced free of charge, this is subject to correct installation and return of the faulty product. Aurora does not accept responsibility for any installation costs associated with the replacement of this product. This warranty is in addition to the statutory rights in your country of purchase. Aurora reserves the right to alter specifications without prior notice.
