

**Product Description:**

The range of EcoT8™ integrated open LED battens looks so close to traditional T8 and T5 open style fluorescent fittings, you won't be able to tell they are LED. Perfect for retrofit or new build, they've been designed specifically to mimic traditional fittings. Maintenance free and available in single or twin with or without reflector, now you can upgrade and benefit from all the advantages of LED technology while maintaining existing look and feel of traditional fluorescent.
