

AriahTM PRO

High power dimmable LED highbays

- Replaces a traditional 400W industrial fixture with just 150W of LED
- Providing over 65% energy savings
- Efficient aluminium heatsink, extending product life
- Up to 30,000 lumens output
- Market leading 150lm/W
- IP65 rated
- IK08 rated impact resistance
- Optional reflectors available
- Optional polycarbonate lens suitable for food production areas (contact sales for more information)

Market leading efficiency of 150lm/W

70° Polycarbonate 60° Aluminium 90° Aluminium Mounting Bracket

Cat. No.	Watts	Colour	Lumens	lm/W
1-10V Dimmable				
EN-HB100C/40	100W	4000K	15000lm	150
EN-HB150C/40	150W	4000K	22500lm	150
EN-HB200C/40	200W	4000K	30000lm	150

Accessories

EN-HBACR2	70° Highbay Polycarbonate Reflector
EN-RF601	60° Highbay Aluminium Reflector
EN-RF901	90° Highbay Aluminium Reflector
EN-HBMB1	Highbay Mounting Bracket

- 5 Year Warranty
- L70 50,000hrs
- 1-10V dimmable as standard
- Microwave sensing option
- Black finish

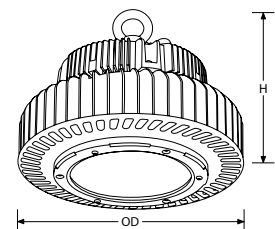

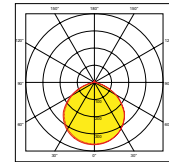

works with

.control

- 1-10V 1-10V Inline Dimmer See pg.35
- 16A On/Off Relay See pg.37
