

Technical Specification

Product Code: GM2008BK

Description: Blank Module

General Information

Dimensions	24.5mm (W) x 50mm (H) x 12mm (D)
Aperture Dimensions	20mm (W) x 35mm (H)
Module Frame Finish	Black
Module Finish	Black
Materials	Body & Insert: Nylon
Operational Temperature	-5°C to +40°C
Warranty	10 Years

Standards BS 5733: 2010

Additional Information

Ensure that the mains supply is isolated before commencing installation and refer to the circuit diagram with the relevant product.
Bare earth cables must always be covered with appropriate sleeving and wired to the earth terminal.
