

Technical Specification

Product Code: SIN20400

Description: 3 & 4 GridPro® Module Insert

General Information

Dimensions	142mm (W) x 60mm (H) x 8mm (D)
Materials	Insert: Galvanised Steel Terminals: Brass Terminal Screw: Steel & Yellow Passivated
Plate Fixing Centres	120.6mm
Operational Temperature	-5°C to +40°C
Warranty	10 Years
Standards	BS 5733: 2010

Additional Information

Ensure that the mains supply is isolated before commencing installation and refer to the circuit diagram with the relevant product.
Bare earth cables must always be covered with appropriate sleeving and wired to the earth terminal.
