

Product Description: Spryte™ 8W Adjustable Integrated IP44 Dimmable Downlight

Spryte™ LED downlight range is the ideal energy efficient non-fire rated solution for new build or retrofit installations. Fitted with the edge-to-edge, multifaceted, 60° wide beam EnFiniti™ lens, these downlights allow for high light output and low glare while still providing a sparkling halogen like optical appearance in a compact sized fitting. Also available in 8W gimbal adjustable version alongside the fixed for maximum application flexibility.
