# Point of Sales

## Lightweight Plastic Hanging Tags

Code

PHT

Type

Euroslotted Self Adhesive

The lightweight plastic hanging tags are ideal for displaying products that do not already come equipped with a euro hole. Making it easier for you to advertise your best selling products. The hanging tags are also a very useful way to display your products on our newly released Display Stands **(STAND1)**

## Point of Sale Display Stands

Code

STAND1

Type

Product Stand

Our stands are ideal for displaying your products. These stands are perfect for small/medium sized boxes and have room for larger boxes to be positioned on the bottom which can drastically improve sales.

**\*Products not included\***

## Or use your in-house displays

Make the most out of our new affordable lightweight plastic hanging tags and hang them on your own in-house display stands.

Peel off the plastic cover, attach to a product and you're ready to advertise!

**\*Please note, this stand pictured is not included in the £30 offer\***
