

## Excel Category 7<sub>A</sub> Screened S/FTP Cable - 1000 MHz

The Excel Category 7<sub>A</sub> Screened S/FTP LSOH Cable is designed and manufactured to meet and exceed the ISO, CENELEC and TIA standards. This delivers Class F<sub>A</sub> link and channel performance supporting all applications detailed and proposed within the standards. This superior performance cable is ETL Component Verified.

Each cable consists of 4 pairs individually wrapped in a covering of high quality, strong, aluminium/polyester foil tape providing an individual screen for each pair. These sub units are then cabled together, with the pairs set to different lay lengths to ensure optimum performance, an overall braid screen is applied to provide further immunity to outside noise and to mitigate any risk of alien cross talk.

Excel Category 7<sub>A</sub> cables are jacketed in a yellow low smoke zero halogen (LSOH) flame retardant compound. Supplied on 500 metre plywood drums, each cable has a print legend identifying the specification, part code and sequential.

### Features

- Low Smoke Zero Halogen Jacket
- Category 7<sub>A</sub> Performance to 1000 MHz
- High performance design
- Individual foil pairs with overall braid screen
- 3rd Party Delta Verified Component Compliance

Description	Part Number
Category 7 <sub>A</sub> Screened S/FTP Yellow LSOH Cable - 1000 MHz	100-910
Category 7 <sub>A</sub> Screened S/FTP Violet LSOH Cable - 1000 MHz	100-910-VT
Category 7 <sub>A</sub> Screened S/FTP Dual Yellow LSOH Cable - 1000 MHz	100-911
