| Code | Size | Price each |
|--------|-------|------------|
| MON262 | 450ml | |

SUNDRIES

NYLON DRAW TAPE

Usage: Pulling cables through pipe
 Material: 3mm Nylon with brass eyelet

| Code | Size | Price each |
|-------|------------|------------|
| DTN10 | 10mm x 3mm | |
| DTN20 | 20mm x 3mm | |
| DTN30 | 30mm x 3mm | |

MULTI-PURPOSE WIPES

Usage: Hard to tear absorbent wipe to clean hands and surfaces of industrial contaminants & protect against bacteria
 Also contains lanolin moisturizer for hand conditioning
 Standards: Conforms to BSEN 1276:1997 & BS EN 12954:1995
 Size: 245 x 196mm per wipe (box qty 110)

| Code | Size | Price each |
|--------|------------|------------|
| BDHW80 | 110 sheets | |

BIN LINERS - HEAVY DUTY

Size: 147cm rim x 99cm length

| Code | Size | Price each |
|------|------------|------------|
| BLHD | Roll of 20 | |

DUST SHEETS

Material: Absorbent 100% cotton twill

| | Code | Size | Price 100 |
|--------------------------------------|------|----------|-----------|
| cotton twill | DUST | 12' x 9' | |
| cotton with laminated polythene back | DSL | 12' x 9' | |

TARPAULIN

Material: Polyethylene
 Size: 12' x 9'

| Code | Size | Price each |
|--------|----------------------|------------|
| TAR129 | 12' X 9' all-purpose | |

RUBBLE SACKS

Size: 21" x 32"

| Code | Size | Price each |
|------|-----------|------------|
| RSB | Pack of 6 | |

SEALANT APPLICATION GUN

Material: Steel
 Application: To use with sealant tubes up to 400ml

| Code | Type | Price each |
|-------|--------------------|------------|
| S301 | Metal economy | |
| S301H | Metal professional | |
