

# Hamilton® GRID-IT Modules

## A comprehensive range of Grid-Fix electrical wiring accessory modules

Grid-It switches and sockets are grid-fixed to provide flexibility. Separate modules can be clipped together on the grid to create the desired combination. This can be done on-site for an instant solution.

- Flexibility of separate modules
- Clip-in inserts to create project-specific combinations
- Larger sized plates
- Neon switch halos for visual identification; available in four colours
- Printed words or symbols for appliance or function identification
- Available on many regular Hamilton plate styles
