

SALDE

The Salde LED floodlight is a new inclusion to the Saxby floodlight range. Its unique design offers stand alone IP65 Floodlight installation or optional Plug & Play PIR, photocell and microwave sensors controls to fit all variants all with truly IP65 rating. The range of 10W, 20W, 30W and 50W, LED Floodlights are completely rewirable with easy accessible screw terminals. The front lens has a prismatic centre for enhanced LED lighting control. A truly professional range offering mix and match options to cover all type of installations.
