

E27 SMART

The E27 Smart is a dimmable tunable white LED lamp. With a range from 2700K to 6500K this lamp is ideal for creating the right ambience. This smart lamp can all be controlled via the SaxbySmart app, allowing you ultimate control with your lighting, whether it's changing colour, dimming, switching on and off or using the timer set up feature. It is also compatible with Amazon Alexa and Google Home to allow you to control your lights with your voice.
