APPLEBY

List No. D230COA
SAFETY ALARMS

230V Mains powered carbon monoxide alarm with 9V alkaline battery backup
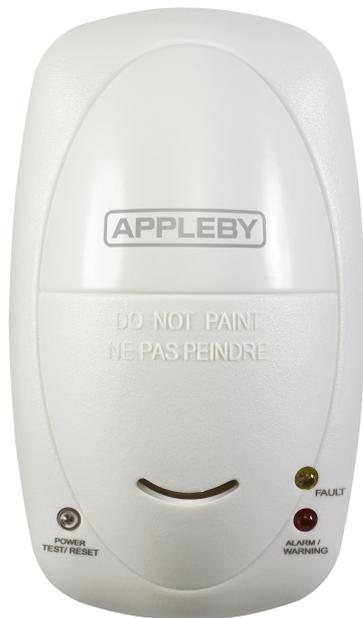

- 9V Alkaline battery backup included
- Self test on sensor & self diagnostic feature
- Easy installation

Product Specification Data	Revision Date: 15/10/2021
Product Standard/s	BS EN 50291-1:2010
CE Conformity	Yes
WEEE Symbol	Yes
UKCA Conformity	Yes
Standalone	Yes
Networkable via cable	Yes
Standard networkable via radio	No
Networkable via radio optional	No
Max. number networkable	40
Current supply primary	Mains power supply
Supply voltage	230 V
Voltage type of supply voltage	AC
With voltage indication	No
With backup battery	Yes
Backup battery included	Alkaline
Included backup battery rechargeable	No
Loudness	85 dB(A)
Mounting method	Surface mounting
Length	75 mm
Width	130 mm
Height	46 mm
Colour	White
Type of test-/pause button	Test button
Cable entry	Bottom side
With digital display	No

Although every effort has been made to ensure accuracy in the compilation of the technical detail within this datasheet, specifications and performance data are constantly changing. Latest details can be obtained from the Electrium website.
