

KFLM02GLF-CLR

2w LED Filament Golf, G45 Clear

Product Overview

Kosnic's Home range of LED products brings the energy saving and safety capabilities of LED technology for general and decorative lighting to the home. Offering a range of classic shapes, all Home LEDs are designed to replace traditional filament lamps. Our showpiece KTC LED Filament Golf lamp has a traditional appearance and gives an even spread of light in all directions. It is also highly functional and efficient, up to 100lm/W, giving a quality of light that creates inviting living spaces while offering huge energy savings over filament lamps without compromising on brightness. The lamps can quickly replace filament products in domestic and hospitality lighting applications, and once in place rapid payback is achieved.
