

DPK1

1 Way Audio Door Entry System

The DPK range are extremely robust, hard wearing systems with an attractive design suitable for single and multi-story dwellings.

Features:

- 1 Station
- Surface or Flush
- 6 Core Cable
- Aluminium Silver Finish
- External / Internal Use

Each Kit Contains:

- Door Entry Panel
- Telephone Handset
- Power Supply/Amplifier (NH200TV) for cable runs up to 100m and for powering a 12V AC lock (EDL)

Order Details:

Product Code	Specification
DPK1/S	Surface Mounting
DPK1/F	Flush Mounting
HT3003W	Additional Handsets

Note:

- If 'tradesman facility' is required, a time switch (MINI/QRD) and an additional station is required on Door Panel.
- Maximum 3 handsets per station (HT3003W)
- Systems can be ordered as a Kit with either surface or flush mounting panels or as individual items for bespoke applications.
