

## Candle and Mini Globe

Candle and Mini Globe ("golf ball") ranges from Integral LED are manufactured from the latest LED technology and components to ensure superior light output and to offer excellent energy savings when compared to halogen or incandescent equivalent products.

Available in frosted and clear finishes and dimmable and non-dimmable versions, Integral LED Candle and Mini Globe lamps retro-fit existing incandescent B22, E14, E27 and B15 lamp fittings.

**Applications:** They are ideally designed for lighting living areas such as bedrooms, dining rooms, living rooms and to be used with classic or modern wall mounted lighting fixtures.
