

DATA SHEET

L2H-ODRLIGHT3IN1

Description

Link2Home Zigbee Smart Garden Lights offer mains-powered, colour-changing RGBW lights that double as spotlights or floodlights for decoration and functionality. Choose a single light or a set of three (3m cable between each light) and connect multiple lights together with joining and linking accessories. The control box and Zigbee hub (sold separately) allow you to use smart, innovative features and integrate with the Link2Home Pro app.

Requires App:

Requires Zigbee Gateway:
