L2H-STPDVR5M / L2H-STPDVR10M

Description

The Link2Home Driver for LED Light Strips can be used as a replacement power source, and as a power source for additional cut lengths up to 10m. This lighting accessory is also compatible with the Link2Home Smart Controller. Use these accessories in combination with Link2Home LED Flexible Strip Lights to create ambiance, put up party lights or decorate for an event, or make your bedroom, living room, TV area, or home shine brighter. LED rope lights offer your desired length to suit your area, mood, or theme.
